Phlebotomy services in Liverpool are commissioned by Liverpool Clinical Commissioning Group and provided by Dingle Park Practice, Liverpool Community Health NHS Trust and The Royal Liverpool and Broadgreen University Hospitals NHS Trust (at the York Centre).

If you have a comment about this service please contact **PALS** on **0800 218 2333** (24-hour voicemail)

## The Liverpool Phlebotomy Service (blood taking) is changing...

From February 2013 the Phlebotomy Service will move out of Broadgreen Hospital and the Royal Liverpool Hospital and will be based in community venues across the city. These changes apply to patients who are referred by their GP for phlebotomy.

### Key benefits of moving the service:

- Reduced waiting times
- Easier access
- Extended opening times
- Drop-in and bookable sessions

#### Bookable sessions

Bookable sessions are available daily from 11:30am–1pm.

If you wish to book an appointment at Breeze Hill, Kensington or South Liverpool Treatment Centre please call 0151 **285 4548**

Riverside Centre for Health offer allocated booking from 8:30am–12:30pm. For appointments at Riverside Centre for Health please call 0151 **295 9228**

Booking numbers operate during normal working hours only.

You can access the Phlebotomy Service at these locations and times:
